GENTLEMEN,

LOCAL INDENT No. 6418.

This Office Enquiry No. 4949, for the supply of Clocks and Timepieces for 1941-42.

———

I write to state that the Stores Purchase Committee have approved the clocks and timepieces described in the attached schedule for purchase by the Government Departments during the period of contract noted below. I would accordingly request you to arrange for the supply of the said clocks and timepieces as and when indented for by the several departments at the prices given in the schedule, subject to the following conditions:—

(1) The Stores Purchase Committee do not guarantee the purchase of any definite number of clocks or timepieces approved. Supplies will be required to be made only if and when the Departments indent for them.

(2) All indents should be complied with within a week from the date of their receipt.

(3) This contract will be in force for one year from the date of the order up to 18th November 1942, during which period the prices accepted herein should hold good. No application for enhancement of the rates during the period of the contract due to any reason whatsoever will be considered.

(4) The clocks and timepieces to be supplied should be of sound construction and workmanship and they should be carefully packed so as to ensure their arrival at the destination in sound condition, the responsibility for which rests entirely with you. If they are found damaged or defective on receipt at destinations, they will be rejected at your risk and expense requiring you to replace them without any extra cost to Government.

(5) The clocks and timepieces should be guaranteed for two years from the date of supply for their soundness, and if they go out of order under ordinary use during the guaranteed period, they should be repaired or replaced by you free of cost to Government.

(6) In the case of clocks and timepieces required for Educational Institutions, they should be engraved with letters "D. P. I." without any extra cost.

(7) In the case of supplies required for the Railway Department, Railway Material Certificates will be issued along with the indents and you should give that department the benefit of the concession secured by the grant of such certificates, namely, the difference between the public tariff and the railway freight rates by deductions in the bill.

(8) In the case of default to execute the order satisfactorily, and in time, the Stores Purchase Committee reserve the right to cancel the order and to purchase the requirements from other sources debiting the extra cost, if any, incurred thereby to you.

You should now arrange to deposit a sum of Rs. 50 in the State Huzur Treasury, Bangalore, and enter into an agreement with the undersigned on a Mysore Government ten-anna stamp paper undertaking to abide by the conditions of this order within a week from this date, failing which the order will be cancelled. A draft agreement form is enclosed.

The bill of cost in triplicate should be sent to the respective indenting officers for arranging payment.

Please acknowledge receipt of this order by return.

Yours faithfully,

MIR SAFDAR HUSSAIN,

Secretary, Stores Purchase Committee.
